Preface

All chess competitions shall be played according to the FIDE Laws of Chess (E.I.01A). The FIDE Competition Rules shall be used in conjunction with the Laws of Chess and shall apply to all official FIDE competitions. These Rules shall also be applied to all FIDE-rated competitions, amended where appropriate. The organisers, competitors and arbiters involved in any competition are expected to be acquainted with these Rules before the start of the competition. In these Rules the words 'he', 'him' and 'his' shall be considered to include 'she' and 'her'.

National Laws take precedence over FIDE Rules.

1 Scope

1.1 Where an event has a situation not covered by internal rules, these Rules shall be considered to be definitive.

1.2 These Rules apply to the following levels of competition.

L1: Official FIDE events as defined by the FIDE Events Commission (D.IV.01.1) or FIDE World Championship and Olympiad Commission (D.I, D.II)

L2: Competitions where FIDE titles and title norms can be earned

L3: FIDE Rated Competitions

L4: All other competitions

Rules that apply to specific types of competitions shall have the competition level indicated. Otherwise the rules shall apply to all levels of competitions.

1.3 These competition rules may contain regulations defined by other FIDE Commissions, which are listed in the FIDE Handbook. Where possible, references to these external regulations shall be shown.

2 The Chief Organiser (CO)

2.1 The federation or administrative body responsible for the organisation of a competition may entrust the technical organisation to a CO. He, together with the federation or organising body, may appoint an Organising Committee to be responsible for all financial, technical and organisational matters.

Other rules hereunder may apply also to the role of the CO. He and the Chief Arbiter (see 3) must work closely together in order to ensure the smooth running of an event.

3 The Chief Arbiter (CA)

3.1 The duties of the CA are as specified by the Laws of Chess, other FIDE Rules and the other Rules of the Competition. During the event he also has to keep the record of each round; to oversee the proper course of the competition; to ensure order in the playing venue: players' comfort during play; to supervise the work of the technical staff of the competition.

3.2 Prior to the start of the competition:

(1) he may draw up additional rules in consultation with the CO;

(2) he shall check all the conditions for play, including the playing venue, playing area, lighting, heating, air conditioning, ventilation, noise, security and so on.;

(3) he must acquire through the CO all the necessary equipment, ensure a sufficient number of arbiters, auxiliary technical staff and assistants are engaged and ensure that conditions for the arbiters are satisfactory. Whether the playing conditions meet the requirements of these FIDE Rules is his final decision.

3.3 At the conclusion of the event the CA shall report as appropriate.

4 **Preparation of the Playing Hall**

Refer to the Technical Commission Rules

5 **Chess Equipment**

Refer to the Technical Commission Rules

6 **Play**

6.1 All games must be played in the playing area at the times specified in advance by the organisers, unless otherwise decided by the CA (in consultation with the CO).

6.2 If possible, a separate area outside the playing area shall be provided where smoking is permitted. This shall be easily accessible from the playing area. If local ordinances totally prohibit smoking on the premises, the players and officials shall be given easy access to the outside.

6.3 If mechanical chessclocks are used, they shall be set so that each unit registers six o'clock at the first time control.

6.4 For FIDE events (L1) with 30 players or more, at any stage, a large digital countdown device shall be installed in the playing hall. For FIDE events with fewer than 30 players an appropriate announcement shall be made five minutes before the game is due to start and again one minute before the start of the game.

6.5 After the finish of the game, the scoresheets shall be signed. Then: the arbiter or the players shall place the kings in the middle of the board to indicate the result of the game. For a win by White, the kings shall be placed on e4 and d5 (the white centre squares); for a win by Black, the kings shall be placed on d4 and e5 (the black centre squares), for a draw, the kings shall be placed on d4 and d5 or on e4 and e5.

But, if electronic boards are used, an illegal move shall be made, before placing the kings in the centre.

6.6 Where it is clear results have been arranged (E.I.01A.11.1), the CA shall impose suitable penalties (E.I.01A.12).

6.7 A glossary of common relevant terms in several languages should be available to the arbiter.

7 **Pairings**

7.1 Responsibility for the drawing of lots and the actual pairings rests with the CA.

7.2 The drawing of lots for the first round of a round-robin competition shall be arranged by the CO, to be open to the players.

7.3 In L1, L2: round robin competitions and preferable Swisses, the drawing of lots shall take place at least 12 hours before the start of the first round. In L1 all participants shall attend the ceremony of drawing of lots. A player who has not arrived on time for the drawing of lots may be included at the discretion of the CA. The first-round pairings shall be announced as soon as possible thereafter.

7.4 If a player withdraws, or is excluded from a competition after the drawing of lots but before the beginning of the first round, or there are additional entries, the announced pairings shall remain unaltered. Additional pairings or changes may be made at the discretion of the CA in consultation with the players directly involved, but only if these minimise amendments to pairings that have already been announced.

7.5 The pairings for a round robin should be made in accordance with the Berger tables (Annex 1), adjusted where necessary for double-round events.

7.6 If the pairings are to be restricted in any way – for example, players from the same federation shall, if possible, not meet in the last three rounds - this shall be communicated to

the players as soon as possible, but not later than the start of the first round.

- 7.7 For round-robin competitions this restricted drawing of lots may be done by using the Varma tables, reproduced in Annex 2, which can be used for competitions of 9 to 24 players
- 7.8 For the pairings of a Swiss-system competition the pre-announced pairing system and program shall apply. (C.04)

This is only allowed when the arbiter and both players agree and they have not already played in this tournament. The arbiter shall adjust the clock times in an equitable manner.
- (4) In an L2, L3 or L4 tournament the rules may permit a player to take a half point bye in a given round. It is only allowed if adequate notice has been given and is agreed to by the arbiter.

9 **Conduct of the Players**

- 9.1 Once a player has formally accepted an invitation, he must play except in exceptional circumstances (force majeure), such as illness or incapacity. Acceptance of another invitation is not considered to be a valid reason for not participating or for withdrawing.

- 10.1 When there is a dispute, the CA or CO as appropriate should make every effort to resolve matters by reconciliation. It is possible that such means will fail and the dispute is such that penalties are appropriate but not specifically defined by the Laws of Chess or the Competition Rule. Then the CA (in consultation with the CO) shall have discretionary power to impose penalties. He should seek to maintain discipline and offer other solutions which may placate the offended parties.
- 10.2 In all competitions there shall be an Appeals Committee (AC). The CO shall ensure that the AC is elected or appointed before the start of the first round, usually at the drawing of lots, or players' meeting. It is recommended that the AC consist of a Chairman, at least two members and two reserve members. The Chairman, the members and reserve members shall, if possible, be from different federations, if it is an international competition. No member of the AC involved in the dispute shall rule in that dispute. Such a committee should have an odd number of voting members. Members of the AC shall not be younger than 21 years old.
- 10.3 A player or a registered official representing a player or team may appeal against any ruling made by the CA or CO or one of their assistants. Such an official may include the player's team captain, head of delegation or other person as defined in the rules of the event.,
- 10.4 An appeal shall be accompanied by a fee and submitted in written form not later than the deadline. Both fee and deadline shall be fixed in advance. The decisions of the AC shall be final. The Competition Rules may include other rules due to the peculiarities of the event. The authorised photographers may take photographs without flash during the rest of the round in the playing area, only with the permission of the CA

12 **Team Captain's Role in Team competitions**

- A team competition is one where the results of individual games contribute equally to the final score of a defined group of players.
- 12.1 Depending on the rules of the specific competition, the captain shall be required to deliver at a specific time a written list naming the players in his team participating in each round, to communicate to his players the pairings, to sign the protocol indicating the results in the match at the end of play.
- 12.2 A team captain is allowed to leave or re-enter the playing venue only with the permission of the arbiter.
- 12.3 The team captain must not stand behind the opposing team during play.

The team captain shall then speak to the player in the presence of an arbiter, using a language the arbiter can understand. The same procedure shall be followed if a player needs to speak to the captain.
